

## **Jean-Luc Wietor**

Senior Policy Officer for Industrial Production

- IED-related topics
- interface with chemicals legislation

# A NEW ROLE FOR THE IED

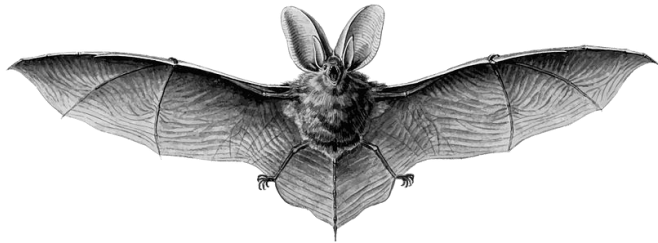

# HAZBREF QUESTION

## Improvement of chemicals management via BREFs

- Technical case studies like HAZBREF
- Difficulties:
  - Performance of chemical management systems
  - Knowledge on environmental fate
  - Quality of MSDS information

## Best Industrial Environmental Regulation

- Chemical inventory for hazardous substances
- Duty to have or get expert advice
- Duty to go beyond the MSDS
- Duty to evaluate substitution potential
